

Feedback form for hatchery professionals

You can use any language you are comfortable in.

1. Correspondent Name:
2. Role: Hatchery Owner/Manager
3. Education:
4. Whether undertaken training on hatchery management Yes/No
5. If yes, Institute name
6. Hatchery address:
Pincode.....; Phone.....; Email.....
7. GPS Coordinates: E..... N.....
8. Farm area:
9. Source of water: River/canal/ rainwater/pond water/ borewell
10. Broodstock pond No..... Area.....
11. Growout pond No..... Area.....
12. Nursery pond No.....Area.....
13. Annual Capacity (spawn) \leq 5 crore 6 to 25crore \geq 25 crore
14. Brooders available (IMC) in numbers (approx):

Species	Male (nos.)	Female (nos.)	Quantity (Kg)
Catla			
Rohu			
Mrigal			
Grass carp			
Silver carp			
Common carp			

15. Brief about broodstock management

Feeding rate..... Feeding frequency..... Stocking density..... Feed additives mineral mixture..... any broodstock feed

Probiotics used Sanitizers used.....

16. Spawning methods: Happa/ Chinese hatchery/Bangla bandh/Dry bandh
17. Whether you follow Pure breeding/mix species breeding
- 17a. Whether you observed hybrid anytime?
- 17b. Whether you segregate hybrids or it goes in broodstock?
18. Sex-ratio maintained during breeding
19. Average size of brooders generally used
20. Brooders are used for how many years?
21. Whether you change brood fish regularly? Yes/No
- 21a. If yes, after how many years of use? Planned Yearly /unplanned anytime
- 21b. If it yearly, how much proportion per year?
22. If yes, whether from rivers or other farms?
23. Whether you maintain pedigree record of brooders (Yes/No):
24. If yes, how do you maintain pedigree and their record?
25. Are you aware of inbreeding and losses due to inbreeding? Yes/No
26. Your opinion, do you feel need for certification procedures for quality seed by Government
25. List of regular customers (15 nos.)
