

## All-India Network Project Inception Workshop on Antimicrobial Resistance in Fisheries & Livestock

New Delhi, 22 May 2024

An All-India Network Project launch workshop on Antimicrobial Resistance in Fisheries and Livestock (AINP-AMRFL) was held at NASC Complex, New Delhi, on May 22, 2024. The workshop was inaugurated by Hon'ble Secretary (DARE) & Director General (ICAR), Dr. Himanshu Pathak, in the presence of Dr. J. K. Jena, DDG (Fisheries Science), ICAR and National Coordinator (AINP-AMR); Dr Ashok Kumar, ADG (Animal Health), ICAR; Dr Uttam Kumar Sarkar, Director, ICAR-NBFGR and Co-coordinator AINP-AMR. Officers from the Animal Science and Fisheries Division of ICAR, FAO-India, Principal investigators, and Co-Principal investigators of the network project attended the workshop. The workshop's objective is to review the progress of the work done, the network's expansion, the operational framework of the network, and the future roadmap for surveillance of AMR in farmed animals and fishes. The project is being implemented by 31 partners from the Fisheries and Animal Science institutes of ICAR and Central Agricultural Universities/State Agricultural Universities across India. Overall coordination of the project will be done by ICAR-NBFGR.
